

Drop-in session Ashley Hill and Narrowways works

From July 2017 to December 2018 we are carrying out noisy engineering works at Ashley Hill and Narrowways.

There will be a prolonged period of earthworks, including piling and soil nailing which will be noisy. We are also working on footbridges in the area which will have an impact on walking routes.

These works are a crucial part of our Filton Bank four-tracking project which will enable an increase in train services and improve reliability for passengers.

Find out more at our drop-in sessions:

Tuesday 27 June, 4.30pm to 7.00pm
St Werburgh's City Farm, BS2 9YJ

Wednesday 5 July, 4.30pm to 7.00pm
