

# Drop-in session

## Stapleton Road viaduct works

Stapleton Road viaduct is being demolished from 24 July to 1 September. We will be working around the clock on the weekend of 28 to 31 July.

The viaduct has reached the end of its life and needs to be replaced as part of our Filton four-tracking project, which will enable an increase in train services and reduce disruption through maintenance.

The demolition will be noisy, involving steel cutting and some sheet piling works. Stapleton Road will be closed from 21.00hrs on Friday 28 July until 06.00hrs on Monday 31 July.

### Find out more at our drop-in session:

Tuesday 11 July, 5.00pm to 7.00pm

St Mark's Baptist Church, St Mark's Road, BS5 6HX
