

# Drop-in session Ashley Hill & Narrowways works

As we continue to prepare for two new railway lines, sheet piling and soil nailing are needed in Ashley Hill and Narrowways during the following periods:

- **Narrowways:** August to October 2017
- **Ashley Hill South:** October 2017 to May 2018
- **Ashley Hill North:** November 2017 to April 2018

We are also carrying out works on two footbridges; finishing and opening a new bridge at Ashley Hill and demolishing and installing the Narrowways footbridge.

These works are a crucial part of our Filton Bank Four tracking project, which will enable an increase in passenger and freight trains, and reduce disruption caused by maintenance.

Pop along, anytime between 4.30pm and 7.00pm:

- **Tues 10 October, St Werburgh's City Farm, BS2 9YJ**
- **Mon 6 November, Fairfield High School, BS7 9NL**
