

Drop-in session Stapleton Road viaduct works

Following the demolition of Stapleton Road viaduct in the summer, we are carrying out sheet piling at Fox Park from mid-October until December 2017.

We will be working in daytime hours only, Monday to Friday, to try to keep disruption to a minimum.

This work is a crucial part of our Filton Bank Four tracking project, which is adding two extra lines between Dr Days Junction and Filton Abbey Wood station. This will enable an increase in passenger and freight services and reduce disruption caused by maintenance.

Our team will be happy to talk you through the work and answer questions.

We're at St Marks Baptist Church, St Marks Road, Easton, Bristol BS5 6HX from 4.30pm - 7.00pm on Monday 9 October 2017.
